GATHER YOUR SUPPLIES TO MAKE A SET OF THREE FRAGRANT SACHETS:

- 6 swatches of fabric each measuring 5x 5½ inches
- Scissors (pinking shears are not recommended due to narrow selvage)
- Straight pins
- Approximately 2½ to 3 cups dried botanicals such as lavender, chamomile, balsam, rose buds, etc
- 36 inches of ribbon

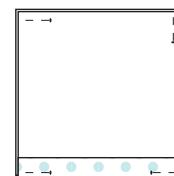

1 Cut two pieces of fabric

2 Fold and press bottom edge 1/2" towards wrong side of fabric

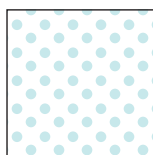

3 With right sides together, pin through all thicknesses

4 Sew ¼" from edge three sides leaving the folded edge open

5 Turn right side out and press seams flat

6 Topstitch ¼" from edge on the same three sides

7 Fill with ¾ to 1 cup of dried botanicals and pin closed.
Try not to overfill!

8 Stitch across to close

9 Make two more, tie up with a lovely ribbon to complete presentation
