**ASSEMBLING THE BLOCKS**

Note: this is the type of project where you can pick and choose which prints you’d like to pair up. See the front of this project sheet for suggested pairings.

1. Sew a 4.5” x 4.5” light print square to two 2.5” x 4.5” linen pieces (Fig. 1a)

2. For a right orientation (Fig. 2a) sew a 2.5” x 8.5” linen to the left side (Fig. 1b) then sew the 2.5” x 8.5” dark print to the right side.

3. For a left orientation (Fig. 2b) sew the dark strip to the left and the linen strip to the right.

4. To assemble the quilt, sew the right oriented blocks beginning the row with the 8.5” x 8.5” linen block (Fig. 2a)

5. For the left oriented blocks, begin the row with the pieced block, ending with a 8.5” x 8.5” linen square.

6. Continue as shown in Fig.w 2 until all rows are complete then sew the rows together.

7. Layer the quilt back, batting, and the quilt top. Baste the layers together. Quilt as desired, removing the basting as you go. Bind to finish!
