BLOCK ASSEMBLY

Note: This quilt is made using the same block with 11 different fabric combinations. Instructions are given on how to piece the block. Refer to the BLOCK FABRIC DIAGRAM for fabric color placement.

1. Mark a diagonal line from upper left corner to lower right corner on the wrong side of all 2½" squares. (*fig. 1*)
2. Select a block fabric combination from the BLOCK FABRIC DIAGRAM. To make the main flower, select 4- 4½" squares of the same print fabric and 8- 2½" squares for the points of these 4½" squares. Lay a 2½" square RST (right sides together) on the upper left corner of a 4½" square. Sew on the diagonal line. Press, trim bottom 2 layers to ¼" seam allowance. Make 4. Place the second 2½" square RST on the upper right corner, sew on the diagonal line, press opposite direction, trim bottom two layers to ¼" seam allowance. Set aside, these are the inside squares of the block. (*fig. 2*)
3. Select the 4½" center square and 4- 2½" squares for corners. Repeat step 2 placing the 2½" squares RST on the corner of the 4½" square. Sew on the diagonal line, press, and trim bottom 2 layers to ¼" seam allowance. Repeat for all four corners. Place in the center of the block. (*fig. 3*)
4. Select the 4- 4½" squares for the outside squares of the block. Lay a print 2½" square RST on the corner of a 4½" square. *Note:* Refer to the QUILT LAYOUT DIAGRAM for selection of 2½" squares. They will vary for each block. Again, sew on the diagonal line, press, and trim. Make 4. Place squares in each corner to complete the block. (*fig. 4*)
5. Sew 3 squares together to make a row. Sew 3 rows together to complete 9 patch block. Press seams in one direction, alternating direction for each row. (*fig. 5*) Make 20 blocks total.

QUILT ASSEMBLY

6. Refer to the QUILT LAYOUT DIAGRAM for block placement, arrange 4 blocks in a row. Sew blocks together to complete a row. Press seams one direction, alternating direction for each row.
7. Sew 5 horizontal rows together to complete quilt top.
8. Layer quilt top, batting, and backing. Quilt as desired and bind.
